

Dear Members of the School Council,

We have noticed that when it is time for our nursery children to go home they are keen to tell their grown-ups all about their day. This is sometimes hard for them as some of their grown-ups are often on their mobile phones.

We wondered if you had any ideas of how to help with this problem? We are sure you enjoy telling your grown-ups about your learning and would find it hard to share this with them if they are on the phone too.

If you can think of any solutions to this issue, we would love to hear them.

We look forward to hearing your ideas.

From

Miss Jackson, Lisa and Wendy ☺
