

Healthy Snacks in Key Stage 2 for 2016!

The School Council discussed ideas from their classmates at their last meeting. A popular suggestion was for children in Key Stage 2 to have a healthy snack at break times. Two councillors, Carlitos and Joy, met with Mr Mitchell to ask his permission and he said...

From Tuesday 5th January 2016, all children in Key Stage 2 are allowed to bring in a **piece of fruit or vegetable** from home to eat at break time.

Please help to keep our school safe and clean by making sure that you eat sensibly (in the Quiet Area) and put your rubbish in the bins provided. Thank you.

Enjoy a healthy start to 2016!
