

Becoming a Parent Governor: Ripple Primary School

Dear Parent / Carer,

Further to my letter of the 13th September, we have received 5 completed Governor Nomination forms for parents wishing to become a Parent Governor.

Attached are their supporting statements for you to read and then select the person you wish to vote for.

Parents are asked to just vote for one person by entering an X against the name of your selected candidate.

The closing date for voting is **Friday 7th October 2016**. Any voting forms after this date will not be counted.

Thank you,

T. Kinder

Chair of governors
