Dear Parents/Carers

I am writing to inform you that there is a possibility that Westbury Site may be closed to children on Monday 30th January 2017 due to some emergency works that need to be carried out. I can assure you that we are working hard to arrange for the issue to be rectified over the weekend so that we can open as usual.

Please check the website for updates over the weekend.

Sincere apologies for any inconvenience this may concern.

Yours sincerely

Mrs M Ziane

Deputy Headteacher
