

Parent Workshop

Maths for Year 2

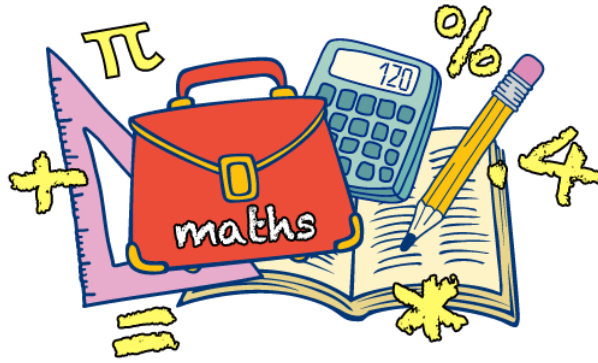

When:

Westbury: **Friday 02.03.18**

Where: ICT Room

Time: 9:00am - 10:00am

Focus: Maths Calculation Policy

The Year Group Leader from Year 2, Miss Araguz, will be leading a session to explain and inform parents about the maths strategies and methods that are used in Year 2. There will be an opportunity to practise these methods during this session as well as a time dedicated to answer other questions you may have about the calculation policy.

Parents will also receive a hard copy of the policy to take away with them but please note that the calculation policy is also available to view online on the school website before or after the meeting.

Please wait outside the main entrance, after the children have gone into school for the day, and Miss Araguz will come to collect you.

We hope to see you there,
Miss Araguz
