3rd May 2018

Dear Parents/Carers,

Year Two National Assessment Tests May 2018

During the upcoming weeks, your child will be taking their Year Two National Assessment Tests (NAT's).

The children will be assessed on their reading ability, their knowledge of spellings and grammar and their mathematical knowledge in arithmetic and reasoning. Their writing will be assessed from work they have completed in class.

As you can appreciate, we have prepared your child for these assessments and want them to do their very best. Therefore, please may we ask for your assistance in making sure your child has a good night sleep, a hearty breakfast and is in the line at quarter to nine.

We look forward to sharing the progress your child has made in their end of year reports and celebrating their achievements made throughout Year 2.

Please contact me if you have any further questions about their assessments.

Yours sincerely,

C Araguz

Year Group Leader
