

Dear Parents and carers,

As part of our History unit on the Tudors we will be having a dress up day where children can come into school wearing clothing that is from the Tudor time on Thursday 10th of May. As we are learning this week about Tudor foods we also invite you to make a Tudor recipe with your child at home and bring it in to share for a feast!

Please see attached some ideas you can make.

Thank you,

Year 3 Team

Please visit this website to see a variety of different Tudor recipes! Please keep in mind certain meat or allergy diets.

Make them at home and bring them in to share and we can have a real Tudor experience!
